Scenario I — A Web Page Mock-up for "Technical Writers' Ink" 2/5

A former collaborator has started an organization/cooperative for technical writers he calls "Technical Writers Ink." In exchange for some help with some technical writing, you are helping him create a mock-up of a sample web page in Adobe Illustrator that uses placeholder text in place of actual written content.

Save the document for the web in the optimized PNG-24 file format. Save it in the default Documents library folder, using the default file name.

Scenario IV — A T-shirt for Benny Goodman Clarinet Event 3/5

The Tri-county Jazz Association is sponsoring an annual clarinet jazz festival in honor of Benny Goodman. The association would like to give each participant a t-shirt. The t-shirt will have the Association's logo over the pocket area on the front, and an image of a clarinet with text about the event on the back.

To help you manage this workflow better, collapse all the panels, but open the Symbols panel. Then create a new workspace named **My Workspace**.

Scenario III — Tri-fold Brochure for Educational Consultants 3/5

Your graphic design firm has been hired to produce a tri-fold brochure (11 x 8.5 folded into thirds) to be used in the marketing efforts of an organization called Educational Consultants. You've decided to use Illustrator to layout each side of the brochure to give yourself maximum flexibility as you design it.

To more easily update the brochure design for Educational Consultants, show the rulers and set the unit of measurement to picas on the artboard.

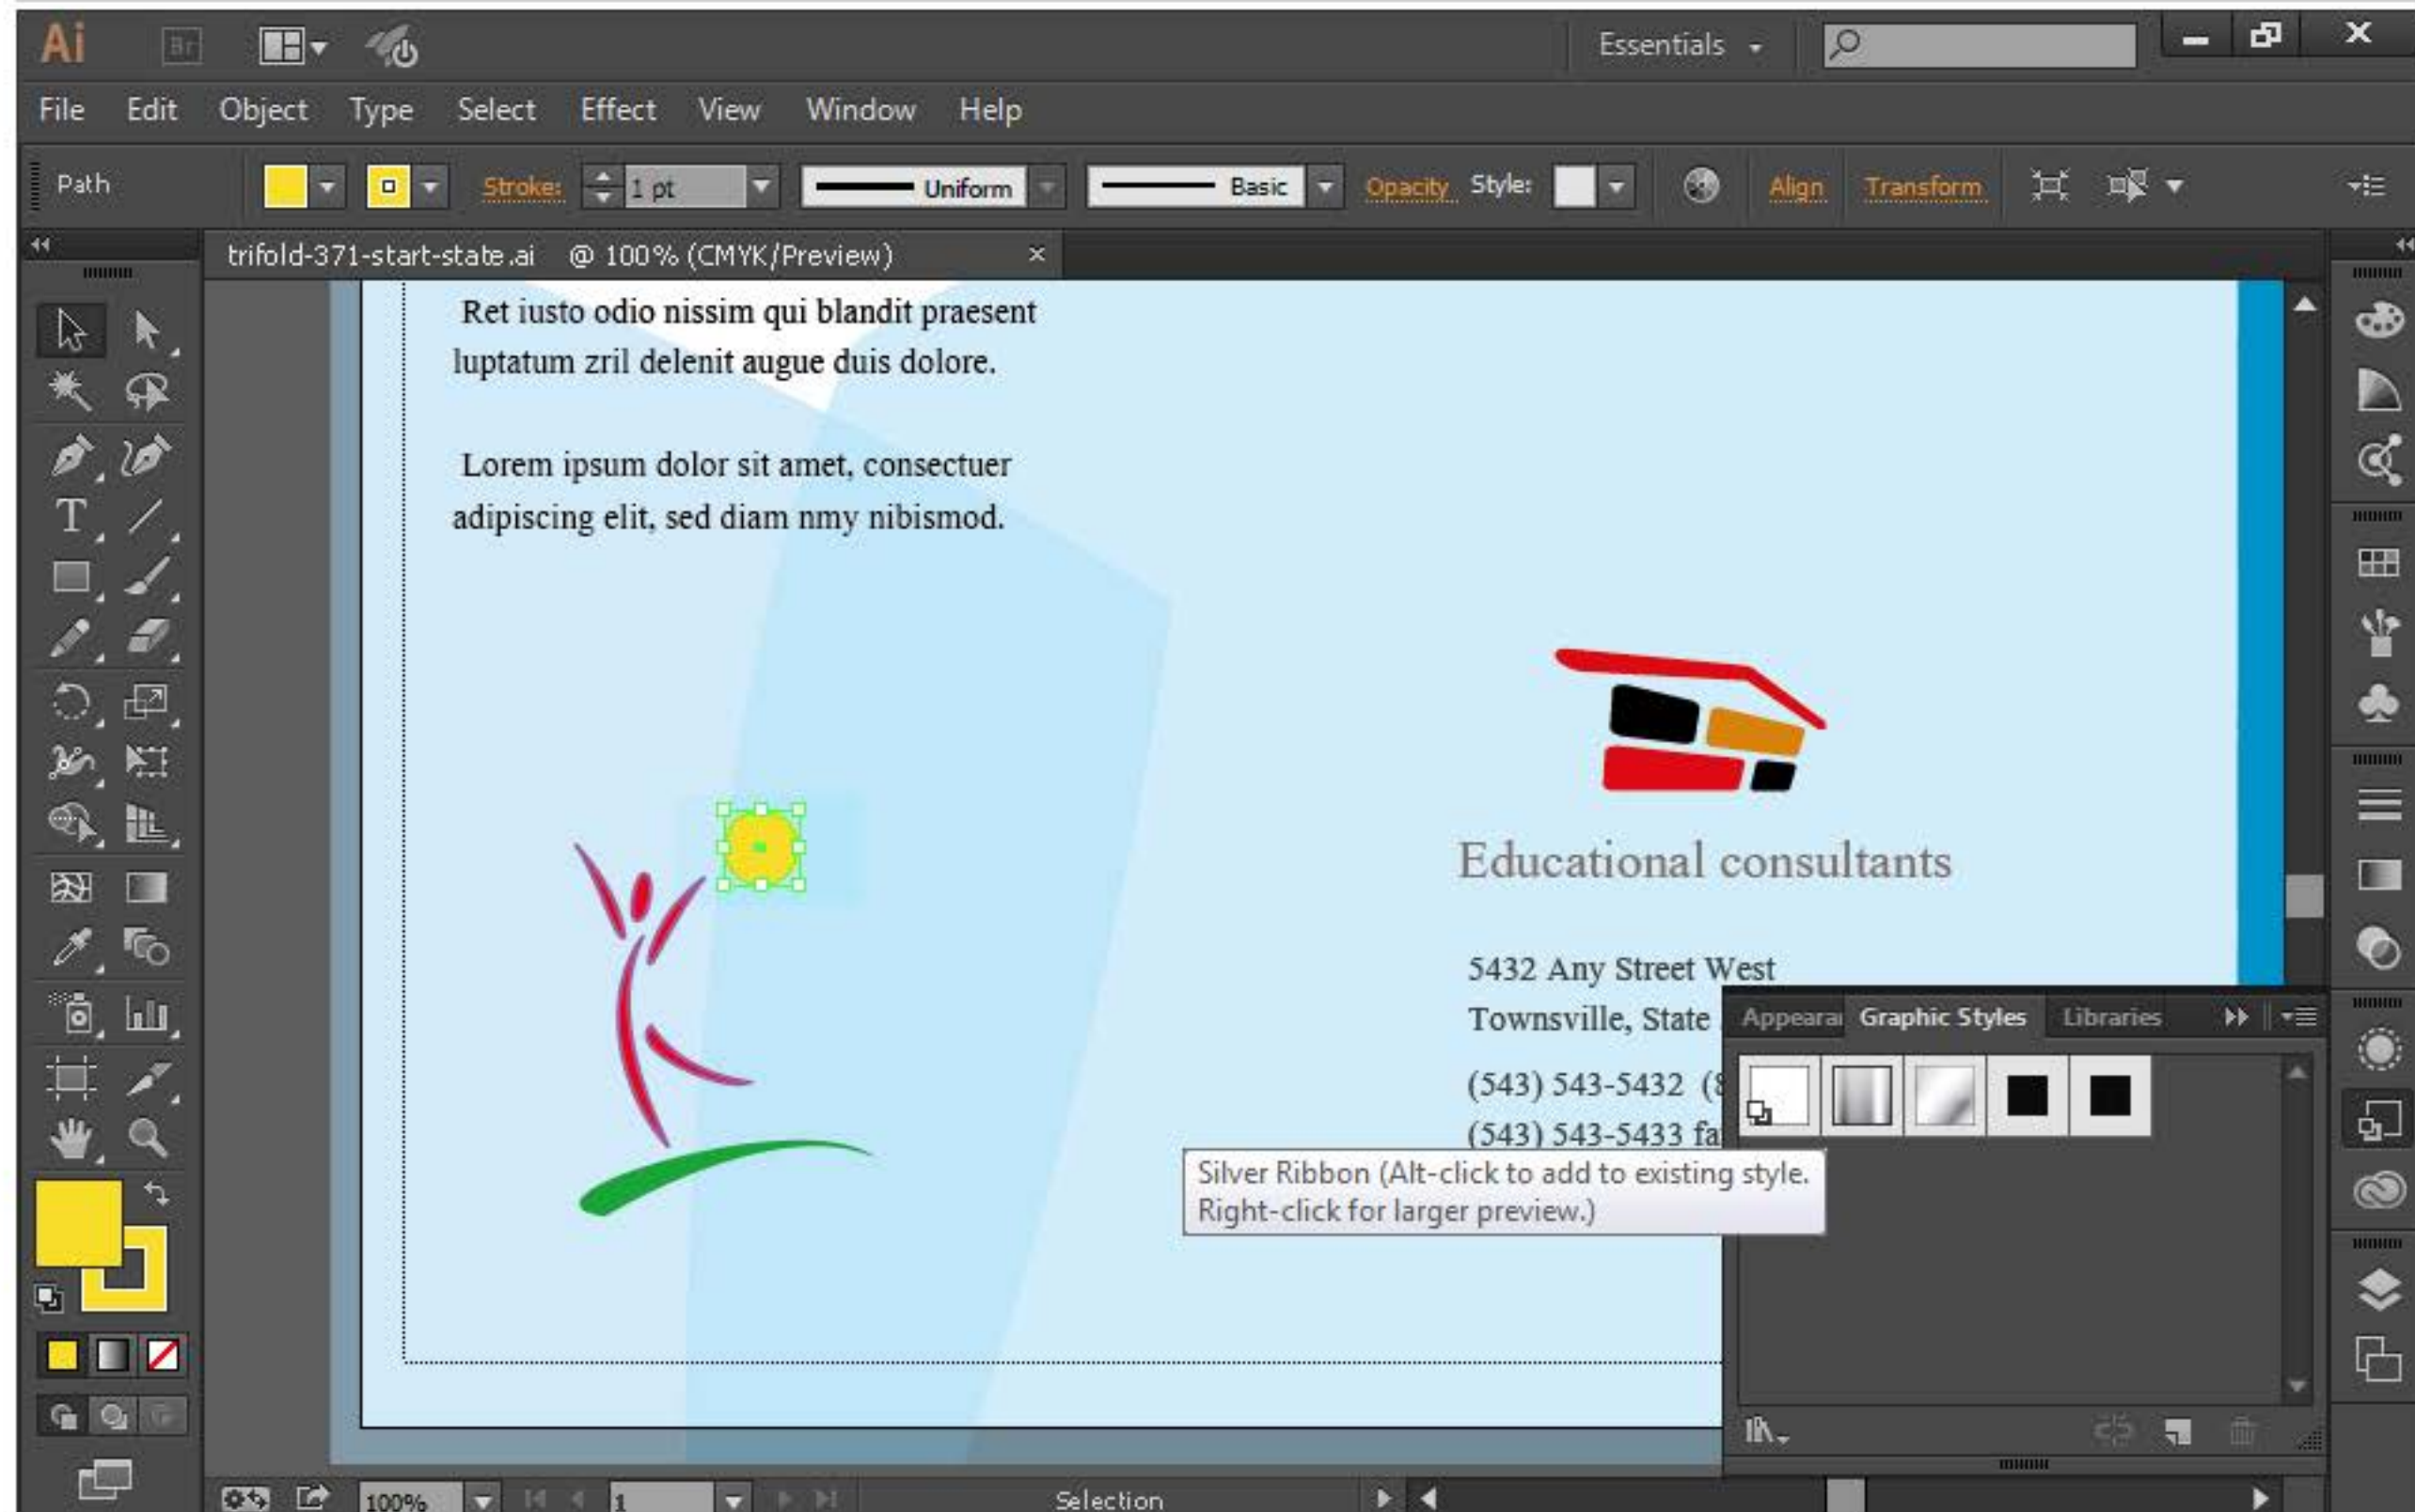

Scenario III — Tri-fold Brochure for Educational Consultants 4/5

Your graphic design firm has been hired to produce a tri-fold brochure (11 x 8.5 folded into thirds) to be used in the marketing efforts of an organization called Educational Consultants. You've decided to use Illustrator to layout each side of the brochure to give yourself maximum flexibility as you design it.

Update the brochure design for Educational Consultants by applying the graphic style named Silver Ribbon to the selected artwork.

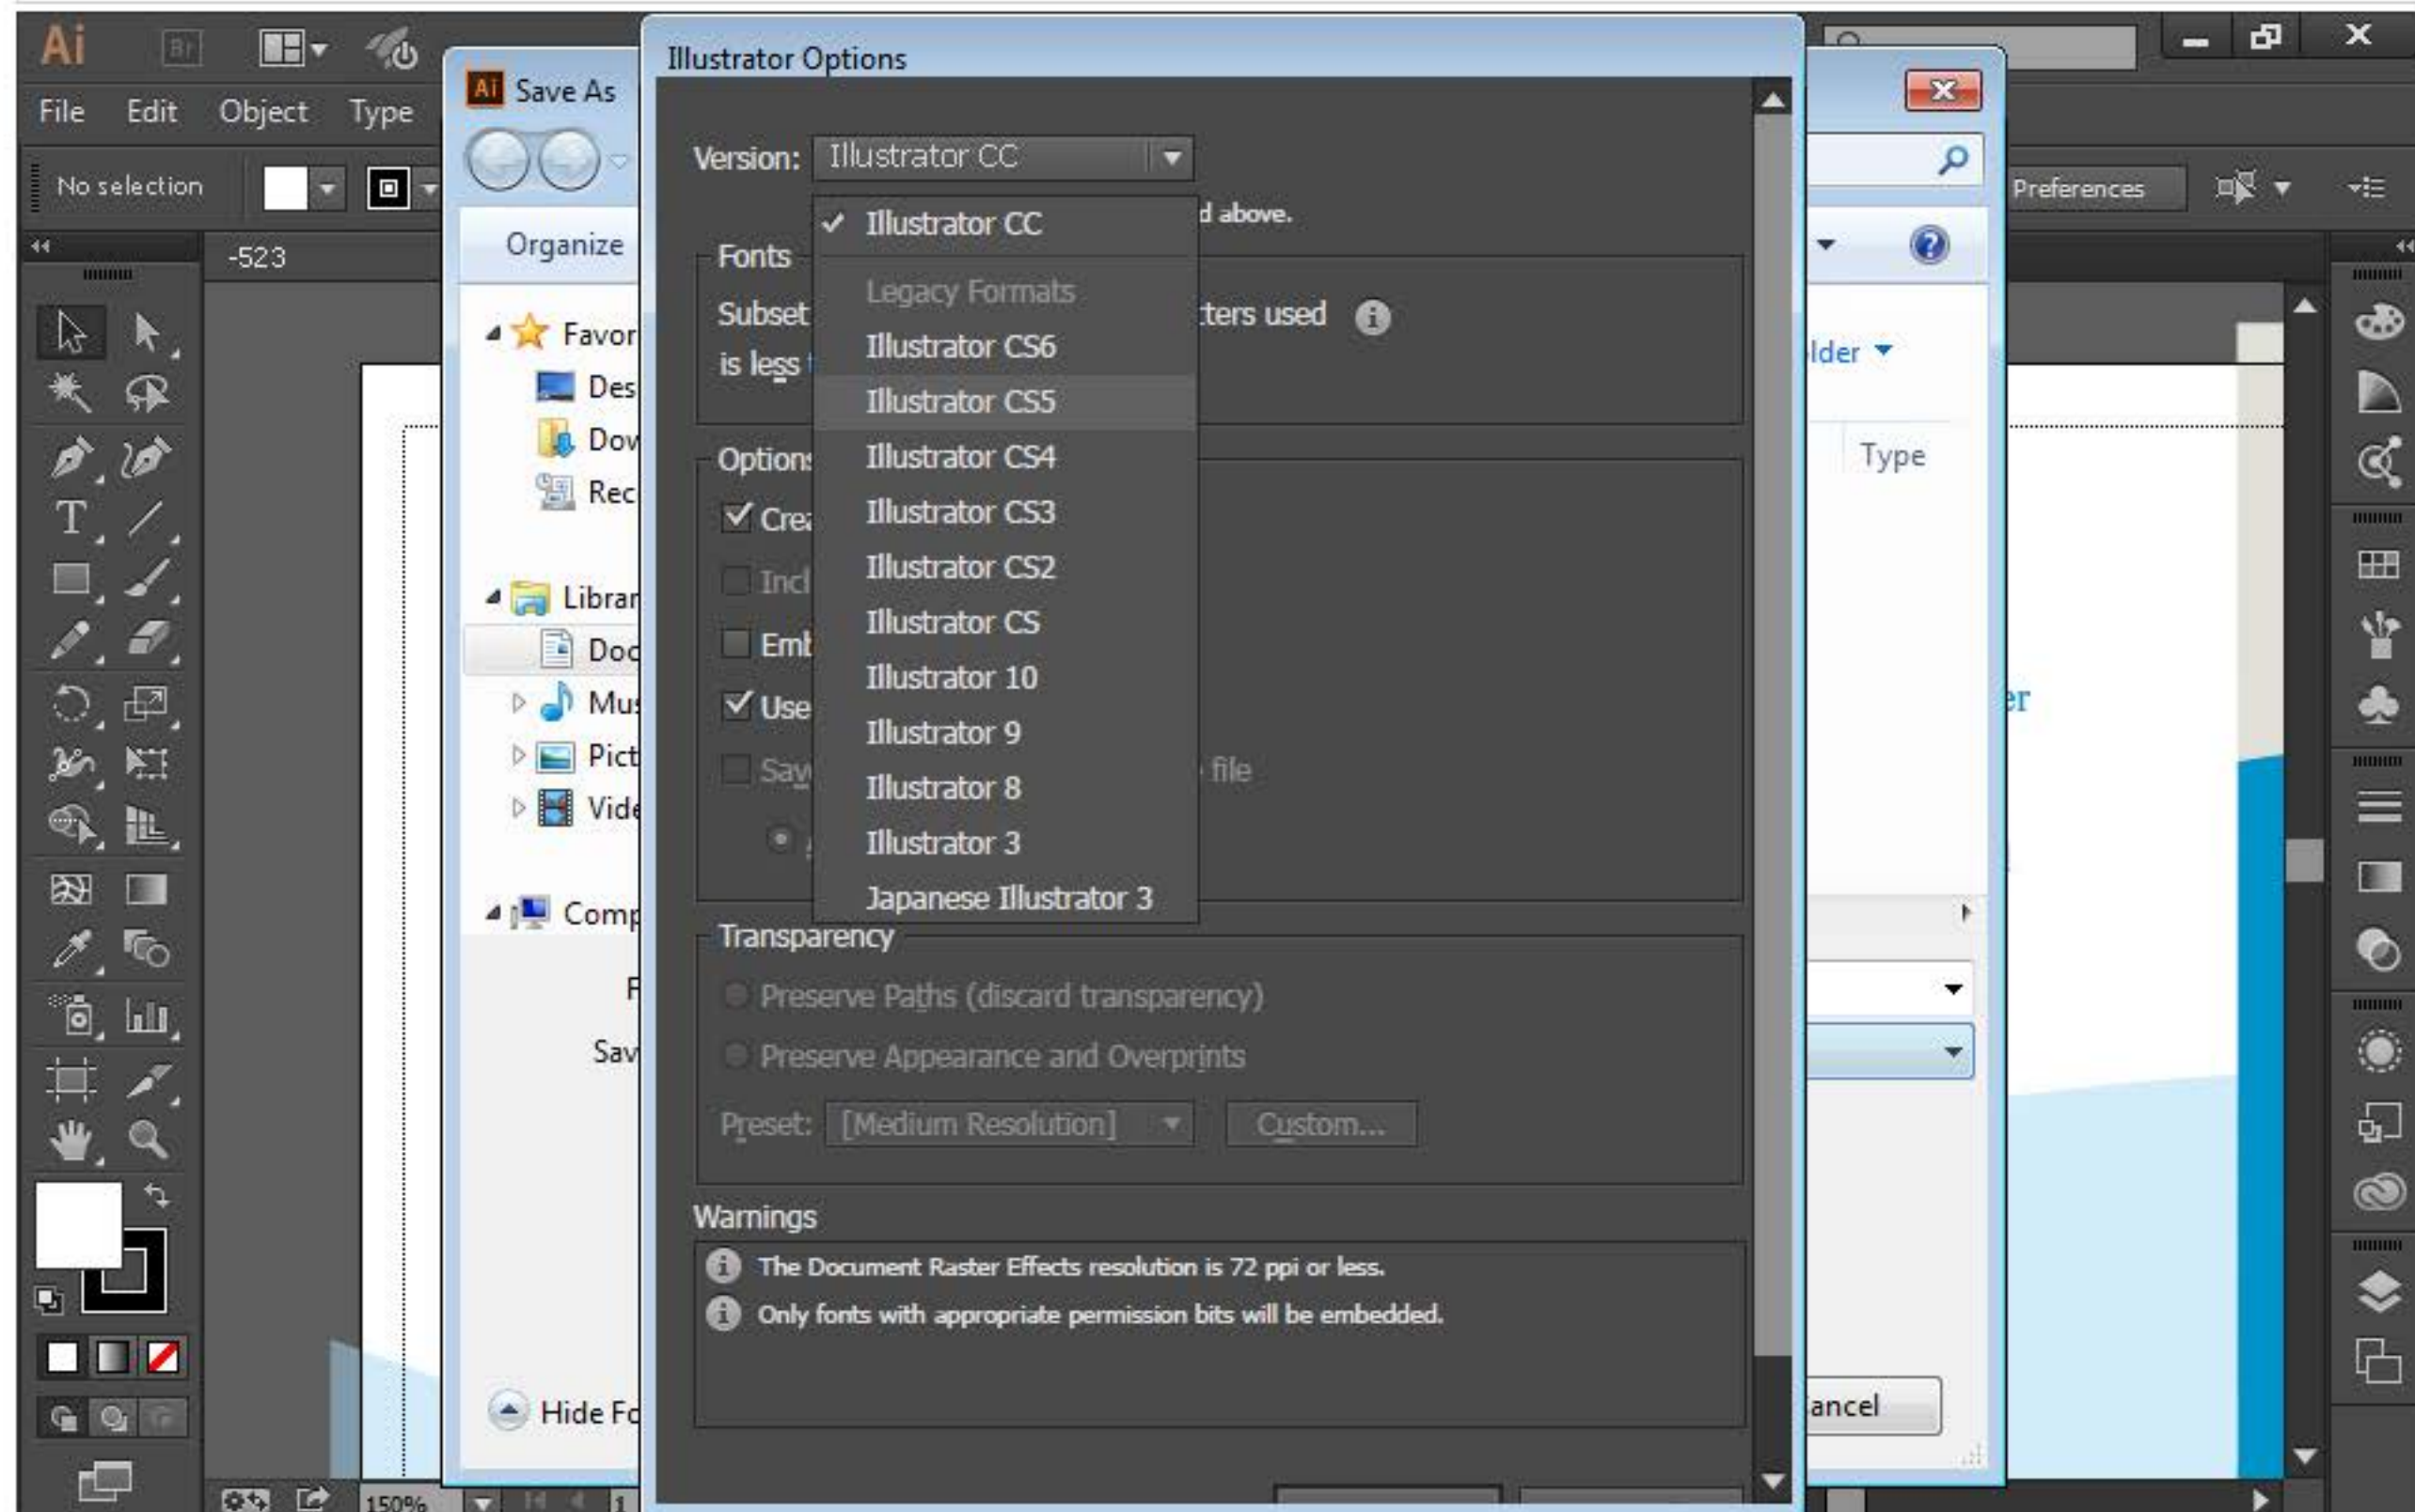

Scenario III — Tri-fold Brochure for Educational Consultants 5/5

Your graphic design firm has been hired to produce a tri-fold brochure (11 x 8.5 folded into thirds) to be used in the marketing efforts of an organization called Educational Consultants. You've decided to use Illustrator to layout each side of the brochure to give yourself maximum flexibility as you design it.

Use the current document to make a backward compatible AI file of the brochure that can be opened in Adobe Illustrator CS5 and later versions.

Scenario II — Collateral Materials to Promote "The Hubbub Club" 2/5

You are helping "The Hubbub Club," (whose motto is "Music for the Masses") create some collateral materials for their paid members. The materials they have in mind include, a bumper-sticker, a portfolio binder with a 4" x 4" copy of their logo stenciled on it, a bookmark, and a small digital badge for members to use on web pages or social media.

The club has asked you to modify the gradient fill of the selected World artwork to white and dark red, using the color codes C: 30, M: 100, Y: 100, K: 30.

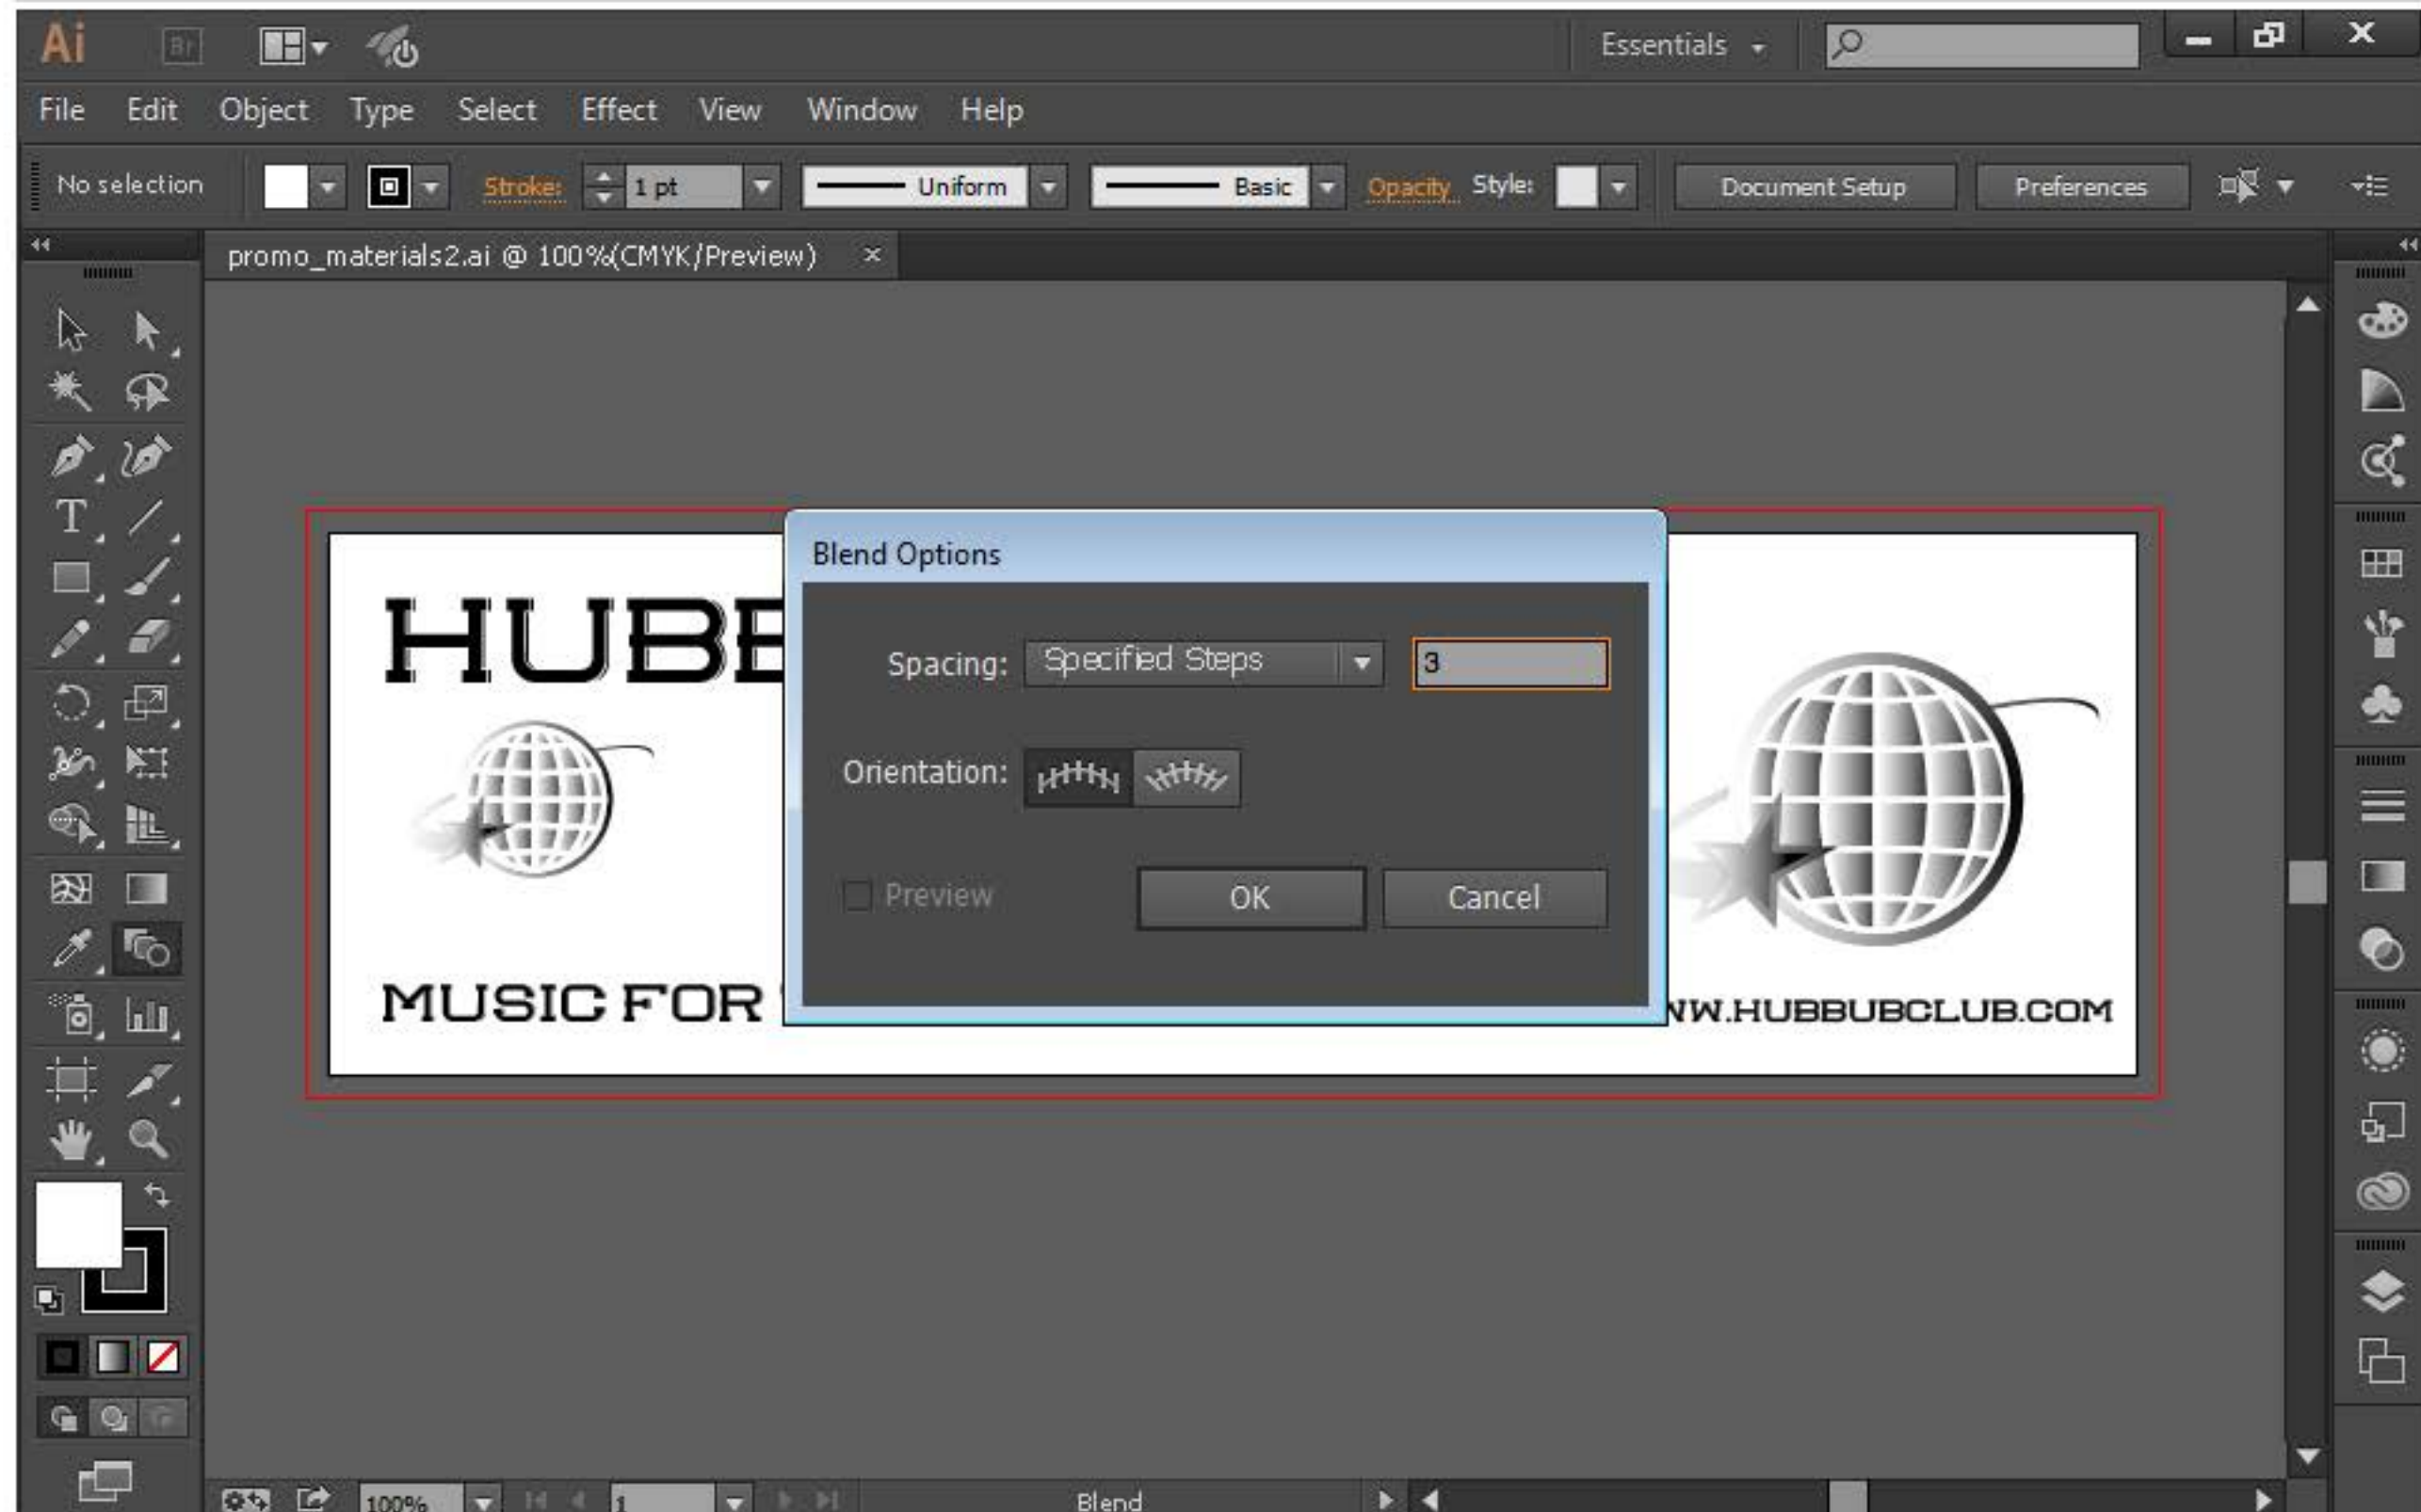

Scenario II — Collateral Materials to Promote "The Hubbub Club" 3/5

You are helping "The Hubbub Club," (whose motto is "Music for the Masses") create some collateral materials for their paid members. The materials they have in mind include, a bumper-sticker, a portfolio binder with a 4" x 4" copy of their logo stenciled on it, a bookmark, and a small digital badge for members to use on web pages or social media.

Use Blend options to change the Hubbub Club bumper sticker design to display a total of five incrementally scaled world graphics by inserting three more between the *small world* and *large world* sublayers present.

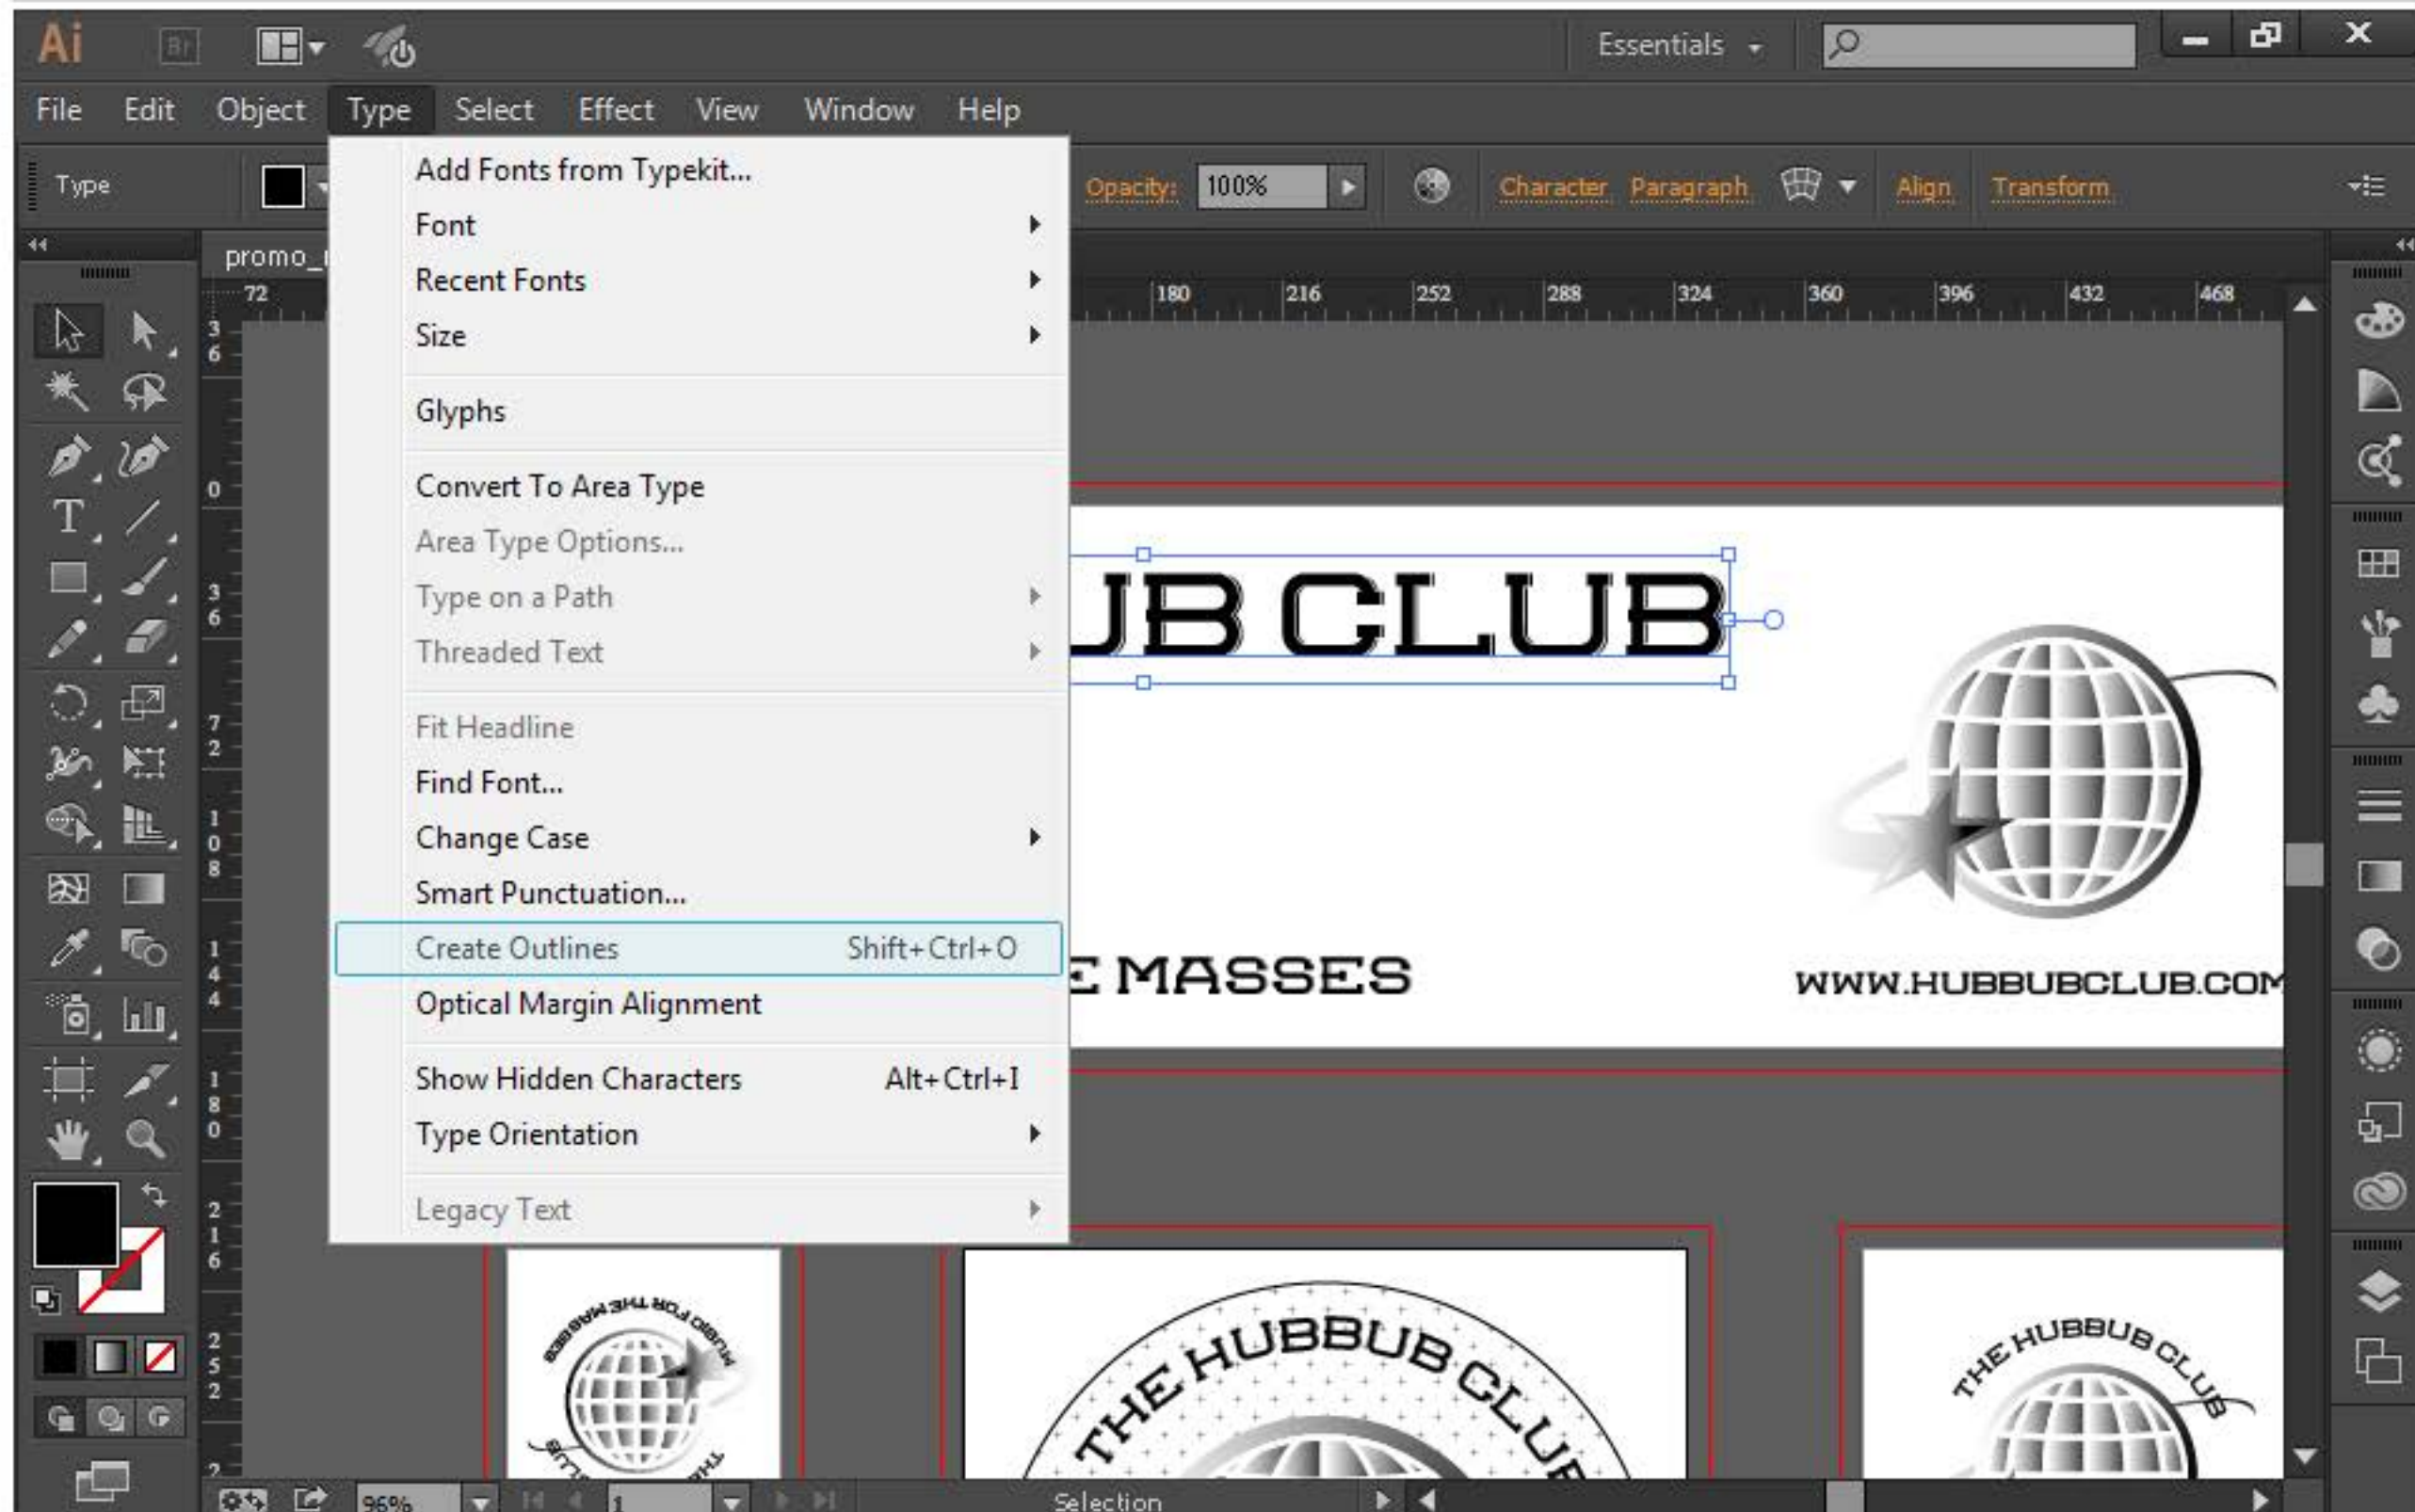

Scenario II — Collateral Materials to Promote "The Hubbub Club" 4/5

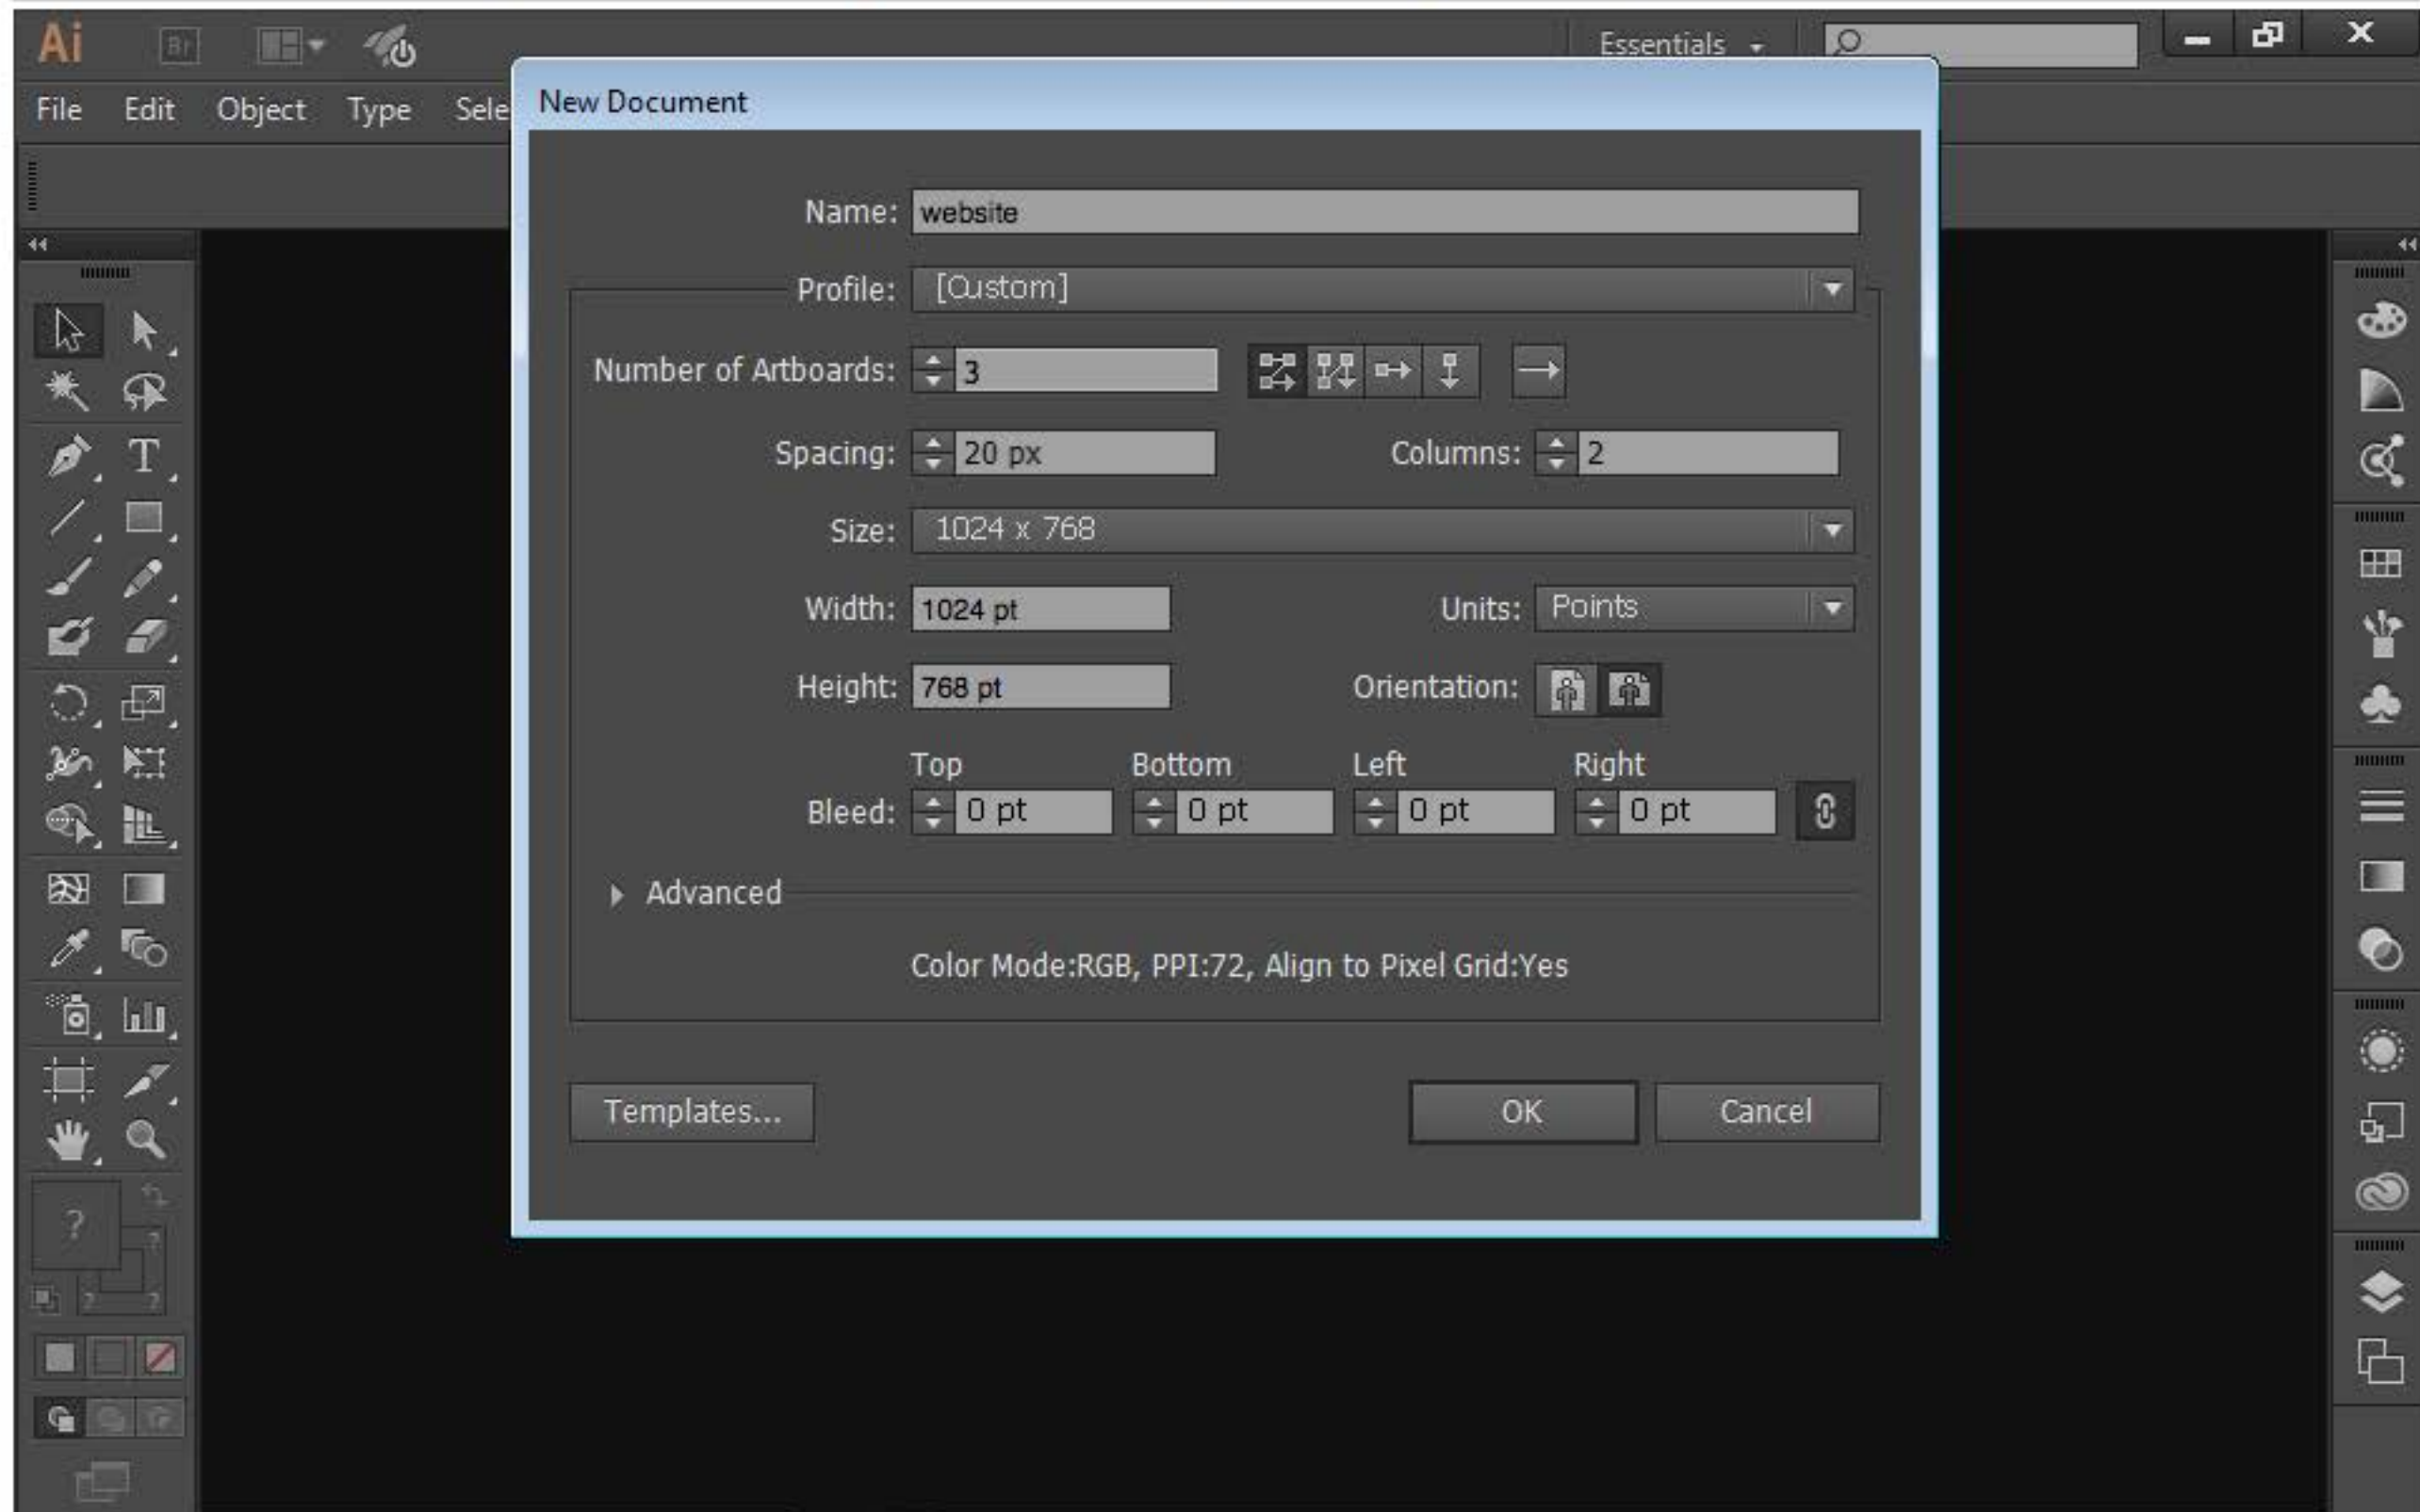

You are helping "The Hubbub Club," (whose motto is "Music for the Masses") create some collateral materials for their paid members. The materials they have in mind include, a bumper-sticker, a portfolio binder with a 4" x 4" copy of their logo stenciled on it, a bookmark, and a small digital badge for members to use on web pages or social media.

In the bumper sticker design (the long, horizontal artboard), convert the headline text *Hubbub Club* to outlines so that it can be transferred without the original font files.

You are starting a new project. Create a New document for a **1024 x 768** pixel website design with **3** artboards. Name the document: **website**.
